# ALEXANDRINO

- **Producer:** I. Savvoglou – P. Tsivolas
- **Origin:** Vineyards of LIMNOS PDO zone
- **Category:** TSIPOURO, PDO LIMNOS, Muscat of Alexandria.
- **Name:** Alexandrino
- **Type:** Tsipouro double distilled

**VARIETY:** Muscat of Alexandria 100%. The harvest takes place on 15th of August till 10th of September

**SOIL:** Volcanic with medium texture (poor in calcium).

**VINEYARD:** Vineyards of the LIMNOS PDO zone, with a yield of about 800 kg per hectare.

**MICROCLIMATE:** Low rainfall, strong winds, relatively low temperatures in winter and hot and dry summers.

**DISTILLATION:** Double distillation, in a modern fractional distillation unit (with columns).

**ORGANIC CHARACTERISTICS:** Crystalline, strongly aromatic with characteristic aromas of Muscat of Alexandria, with a mild taste.

**GASTRONOMY:** Serve at room temperature or chilled with ice and is an excellent accompaniment for appetizers, finger foods and an ideal basis for the production of cocktails. A unique trip to flavors & aromas of Limnia land. Without anise,
